July 1, 2002

Dear Colleague:

Montgomery County is now accepting applications for a new cycle of Community Development Block Grant (CDBG) and Emergency Shelter Grant (ESG) funded public service grants. For more than 25 years, these grants have been used by non-profit organizations to provide services to some of the County's most vulnerable residents. In the County's most current budget, thirty-two (32) nonprofit organizations are receiving grants that range in size from \$5,000 to \$40,000.

The County expects to have approximately \$675,000 in CDBG/ESG funds available for grants this year. To stretch and focus our limited resources, we will be putting special emphasis on collaborative proposals that address concerns or needs as part of a comprehensive neighborhood approach. Priority will be given to proposals focusing on selected areas that are identified in this packet. Also, we are committed to funding projects that will be ready to proceed immediately after funds are received in the Fall of 2003.

I encourage you to review the materials in the enclosed "Fact Sheet and Funding Policies" and the "Application Instructions", and complete the enclosed application form if you feel your organization and your project are eligible for a public service grant. The application is also available on computer disk (in MSWord 2000, with the CDBG/ESG budget worksheet in Excel). Our most recent Action Plan contains useful information about currently identified community development areas, priorities, and a listing of funded activities for fiscal year 2003. You can request a copy of our most recent Action Plan by calling 240-777-3600 (our TDD number is 240-777-3679). You can also check our internet website at the following address - <http://hca.emontgomery.org>.

Whether or not you decide to submit an application for funding, we welcome your attendance at and participation in our annual public hearing. This meeting is your opportunity to express your ideas and concerns about our past performance, current needs, and future community development funding priorities. The hearing is tentatively scheduled for early October. You may call us here in September to find out the exact location or to register to testify before the County's Community Development Advisory Committee (CDAC).

Dear Colleague
July 1, 2002
Page 2

The County's Federal Programs staff will be glad to answer any questions or provide one-on-one technical assistance in discussing a particular funding proposal or completing an application. You may apply for funding for more than one project, but a separate application must be completed for each project that you are proposing. Competition for funds will be keen, and demand will exceed the amount of funds available. The deadline for submitting applications is Monday, September 16, 2002.

Thank you for your interest in the CDBG and ESG public service grant program. Over the years, these programs have benefited the residents of Montgomery County in many ways, both through programs operated by county departments and those operated by non-governmental agencies.

Sincerely,

Luann W. Korona, Chief
Federal Programs Section

PUBLIC SERVICE GRANT FACT SHEET AND FUNDING POLICY

A. Introduction

Montgomery County receives Community Development Block Grant (CDBG) funds annually from the U.S. Department of Housing and Urban Development (HUD) to provide programs and facilities that primarily benefit low- and moderate-income (LMI) residents of the community. The County also receives Emergency Shelter Grant (ESG) funds that are used to prevent homelessness, or provide shelter and services to person who are homeless or at-risk of homelessness.

Each year, Montgomery County uses a competitive application process to make a portion of its CDBG and ESG funds available to non-profit groups in the form of public service grants. Eligible public service activities include, but are not limited to, programs concerned with employment, crime prevention, child care, health care, drug abuse prevention, education, mental health, welfare, or recreation.

B. Background on Federal Funding Sources

To help potential applicants determine whether or not their project might be eligible for a public service grant, it is important to be familiar with the basic requirements of the two Federal programs that provide the funding for the grants. Potential applicants should also review the contractual requirements they will be expected to meet if they are selected for Federal funding (see Section F. Contractual Requirements).

CDBG Program

The CDBG program provides Montgomery County with the opportunity to develop viable communities by funding activities that provide decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- and moderate-income persons. Funds may be used to carry out a wide range of community development activities such as neighborhood revitalization, economic development, and the provision of improved community facilities and services.

The amount of CDBG funds available to non-profits for public service activities is capped under the CDBG regulations. For example, last year the County received \$5.9 million in CDBG funds, and the amount available to non-profits for public service grants was approximately \$688,000. The amount of funding for fiscal year 2004 has not been determined but is expected to be about the same.

CDBG National Objectives

Federal legislation and regulations have established national objectives that all CDBG funded activities must meet. The County must assure that all activities meet one of

these two national objectives of the program. Each activity must: 1) Benefit people with low- and moderate-incomes (LMIs); or 2) Aid in the prevention of slums and blight. Activities that do not meet one of these two broad national objectives cannot be undertaken with CDBG funds.

Low and Moderate Income Benefit: Generally, public service activities meet the first requirement – benefit to LMI persons. For an activity to meet this objective, it must either have income eligibility requirements that limit the activity’s benefits to LMI persons, or the activity must be located in an area that is predominantly inhabited by LMI residents. Under the CDBG regulations, programs that serve the elderly or persons with disabilities are usually considered to benefit low- and moderate-income persons. The income limits that determine who is considered to have a low- and moderate-income are shown below:

| HUD INCOME LIMITS* (Effective January 31, 2002) | | |
|--|------------|-----------------|
| Family Size | Low | Moderate |
| 1 | \$30,450 | \$38,100 |
| 2 | \$34,800 | \$43,500 |
| 3 | \$39,150 | \$48,950 |
| 4 | \$43,500 | \$54,400 |
| 5 | \$47,000 | \$58,750 |
| 6 | \$50,450 | \$63,100 |
| 7 | \$53,950 | \$67,450 |
| 8 | \$57,400 | \$71,800 |

* All income figures have been rounded to the nearest \$50.

To meet this objective, each public service activity must serve no less than 51 percent LMI persons (although the County reserves the right to require that each activity serve at least 70 percent LMI persons). The applicable percentage will be determined at the time a grantee’s contract is drafted, but applicants should plan to meet the highest limit possible.

Slums and Blight: For an activity to meet the second objective, it must be designed to address and ameliorate the conditions causing the slums and blight. The County determines which areas qualify under removal of slums and blight.

In addition, CDBG regulations require that activities selected for funding must do one of the following:

- Provide a new or an expanded level of an existing public service to populations with special needs, such as supportive services for the homeless, persons with HIV/AIDS, the elderly, abused persons, children-at-risk, persons with mental or physical disabilities, or new immigrant populations.
- Eliminate conditions detrimental to health, safety, and public welfare.

- Stimulate economic growth, development, and employment opportunities that will principally benefit LMI persons.
- Support fair housing through education, counseling, legal assistance, and consumer protection programs.

CDBG Ineligible Activities

Certain types of activities are ineligible for assistance from the CDBG funds. The following types of activities generally are ineligible:

- Construction of, or improvements to, general government buildings and schools.
- Routine operation, maintenance, and repair activities for public facilities.
- Assistance to churches or church-affiliated organizations, unless a clear separation of purpose, mission, and organizational relationship can be established between the church and the CDBG-funded activities.

ESG Program

The ESG program enables Montgomery County to provide housing and other services to persons who are homeless or are about to be homeless. This program is also funded by HUD. Last year, the County received \$206,000 in ESG funds. Future funding for this program is uncertain.

ESG Eligible Activities

ESG funds are awarded for a variety of activities relating to emergency shelter for the homeless, including the renovation or conversion of buildings to be used as shelters and the maintenance/operation of facilities that house the homeless. Funds may also be provided for essential services, including services concerned with employment, health, substance abuse, or education, as well as for efforts to prevent homelessness, such as financial assistance for families who have received eviction notices or notices of termination of utility services.

C. County Policies and Priorities for Public Service Grants

Each year, Montgomery County receives many more applications for CDBG and ESG public service grants than there are funds available. The competition is greatest among applicants requesting funds for staff and operating costs associated with providing services to some of our most vulnerable residents: the elderly, children and youth, recent immigrants, the homeless, people with mental and physical disabilities, people with chronic illnesses, people with addictions, and victims of violence.

In addition to the Federal requirements, Montgomery County has developed policies and priorities to guide its use of CDBG and ESG funds. These policies and

priorities are based on federal requirements for the CDBG and ESG programs and local needs and funding priorities.

Policies

These general policies and priorities apply to all applications for CDBG/ESG funds:

- Beginning in FY 2004, public service grant amounts are capped at \$45,000
- CDBG funds will not go to one organization for the same project for more than three (3) years;
- Grantees who receive funds in year one, are not guaranteed funding in years two and three;
- Grantees may only lease, not purchase, capital equipment with CDBG/ESG funds;
- The acquisition of land, or the construction, acquisition, and/or rehabilitation of buildings is not eligible for a public service grant. (For information on loan programs that may be available to fund these activities, please contact Federal Programs staff at (240) 777-3600.)

Priorities

Funding priority will be given to activities that:

- have a high benefit to low- and moderate-income persons;
- require a one-time only infusion of funds and have a detailed plan for permanent funding;
- maximize the use of outside funds (non-CDBG/ESG or other county funds) and services and which are coordinated with other public and private efforts;
- are clearly defined as to scope, location, need, budget, goals, and means for evaluation of program progress;
- demonstrate the capacity of the applicant, and the capability to be carried out successfully;
- support or coordinate with other community development efforts;
- are located in selected community development areas;
- present a reasonable, sound budget; and,
- are to be implemented by organizations with a solid track record.

In addition, because the demand for these funds exceeds the amount received from HUD, the County is committed to funding projects that are ready to proceed immediately after funds are received, and those prepared to spend the funds within a twelve-month period (any funds that are not spent within this timeframe may be recaptured by the County).

Priority Areas

Currently, selected areas designated by the County to receive priority for community development assistance are: Cinnamon Woods near Germantown, Connecticut Avenue Estates, portions of Wheaton, the Long Branch and Flower-Piney Branch areas, the McKendree area of Montgomery Village, and portions of Silver Spring (please refer to the

maps beginning on *page ix*). In Montgomery County, there are eighteen (18) Neighborhood Business Development Districts that are also priority areas, including: Aspen Manor; Boyds; Burtonsville; Clarksburg; Cloverly; Colonial/Veirs Mill; Damascus; Four Corners; Germantown; Glenmont; Hyattstown; Kensington; Long Branch; Montgomery Hills; Rock Creek Village; Sandy Spring; Silver Spring; and Wheaton.

Participating and Non-Participating Jurisdictions in the County

The Cities of Rockville, Gaithersburg, and Takoma Park operate their own Community Development Block Grant programs and should be contacted directly with funding requests for public service activities to be undertaken inside their city limits.

The following jurisdictions do not participate with the County in these programs; therefore, no activities that operate within these areas may be funded with CDBG or ESG funds: Town of Barnesville, Town of Chevy Chase, Chevy Chase View, Chevy Chase Village, Village of Chevy Chase (Section 3), Village of Drummond, Town of Laytonsville, Village of Martin's Additions, and Town of Poolesville.

Exceptions to the Policies

Applications from the municipalities receiving a pass-through amount (Rockville and Takoma Park) only need to meet HUD's eligibility criteria and will be deemed eligible based on HUD's criteria alone, unless the municipality agrees in writing to the County's CDBG Funding Policy.

Out-of-cycle applications recommended for review by the Director of DHCA will be reviewed by the CDAC according to the Committee's established practice. An application which does not conform to the County's CDBG Funding Policy may be accepted for review if it meets HUD's eligibility criteria and the CDBG national objectives. The Director of DHCA may waive the requirements of the CDBG Funding Policy for good cause.

D. Community Development Advisory Committee

Deciding who should receive funding is a difficult and time-consuming process. To guide this effort, a group of 10 to 15 dedicated volunteers is appointed by the County Executive to sit for three-year terms on the Community Development Advisory Committee (CDAC). Committee members, all of whom are County residents, review applications and meet with eligible applicants to discuss funding requests. Working with staff from DHCA, and with input from the Director of DHCA, the CDAC recommends to the County Executive who should receive funding and in what amounts.

The County's Policies and Priorities, as described above, guide the Community Development Advisory Committee (CDAC) in its application review. In addition, the CDAC has established its own philosophy in determining which applications should be recommended for review. In general, all activities should:

- provide new or expanded services that respond to critical, identifiable, and unmet needs;
- stress long-term, innovative solutions that hold the promise of serving as a catalyst for change;
- be integrated with other community services and be provided in collaboration with other service providers;
- be supported by multiple funding sources and have excellent prospects for ongoing funding and program support (from non-County sources);
- enable and empower those served to reach their highest level of self-sufficiency;
- help people with special needs achieve better access to and use of existing services;
- have clearly stated goals and evaluation criteria that are specific, measurable, and realistic; and
- have a clear plan of action that is consistent with the budget and that demonstrates that the applicant has the capability to implement the proposed plan.

E. Application Review and Recommendations

Applications for public service grants are accepted by DHCA on an annual, cyclical basis. The deadline date for submission of applications varies slightly from year to year, but it is usually in mid-September. Projects submitted after the deadline will not be considered for review unless it can be demonstrated that the application is for funding of an emergency nature or represents a unique, one-time opportunity that cannot wait for the normal round of applications. These out-of-cycle requests will be reviewed at the discretion of the Director of DHCA.

To be considered, all applications must meet one of the two national objectives of the CDBG program (as described above). All applications are reviewed by the staff of DHCA to determine eligibility under HUD's criteria and conformance with the County's CDBG/ESG funding policies and priorities. All applications accepted for competition are then reviewed by the Community Development Advisory Committee (CDAC).

After discussion and consultation through the review process, cyclical applications will be recommended for funding to the Director of DHCA and to the County Executive. The County Executive will then make recommendations to the County Council as part of the overall budget process. (Approval of loans for new housing construction or rehabilitation rests with the Director of DHCA.)

The County Council, as part of the budget process, then makes the final selection of those activities and projects to be funded with CDBG/ESG funds. The Council usually approves the budget in mid-May. In reality, activities proposed in the Fall are funded in the County's next budget year (which begins July 1). Due to HUD restrictions and clearances that must be obtained, funds are generally not available until after the following September first of each year.

F. Contractual Requirements

Each grantee selected to receive funds is required to sign a contract with the County. No costs incurred prior to the execution of an agreement with the County are reimbursable. Under County and Federal laws and regulations, certain requirements must be met in order to negotiate an agreement and disburse funds. These requirements include the following:

1. Applicants must demonstrate that they are a private nonprofit organization, or a governmental agency.
2. After an application is approved for funding, a contract will be prepared and sent by the County to the person identified by the applicant as the authorized official for signature. The contract will specify the amount of the award, the period for which the project is approved, the contract term, and administrative provisions. Special conditions attached to the award also will be specified in the agreement. Grantees and loan recipients will be required to file regular reports on expenditures, progress toward goals, and beneficiaries. DHCA will provide forms for these reports.
3. Grantees and loan recipients will be required to obtain adequate insurance covering workman's compensation, bodily injury, property damage, or automobile liability, depending on the nature of the project. Grantees will be responsible for obtaining any necessary licenses and for complying with all applicable federal, state, and municipal laws, codes, and regulations. If you are not a governmental agency, you can include the costs of insurance and licenses for the activity in the proposed budget.
4. As part of any grant or loan agreement, recipients will be required to comply with affirmative action and equal opportunity laws. In the event of non-compliance, the agreement may be terminated or suspended in whole or in part.
5. All recipients will be required to comply with the federal government's audit requirements as described in OMB Circular A-133 (for HUD's programs, these requirements are codified at 24 CFR Part 84). The cost of an audit is an eligible grant cost.

G. Other Important Considerations for Applicants

Every year, the demand for CDBG/ESG funded public service grants exceeds the amount available. This means several otherwise worthy projects cannot be funded due to a lack of funds. For example, last year the County had approximately \$686,000 available for public service grants. The CDAC recommended funding for 31 of the 46 applications received. The average grant amount was \$35,000.

Therefore, the County is committed to funding projects that are ready to proceed immediately once the budget has been approved and the contract has been signed. In

addition, HUD imposes time limits for spending Federal funds. Grantees must be prepared to spend their funds in a 12-month period. If funds are not spent within this time period, unspent funds may be recaptured by the County and awarded to other projects.

CDBG/ESG funds are not intended to be an on-going source of funds for an organization. Under the CDBG/ESG Public Service Grant program, an organization may only receive funding for up to three years for the same program or activity. However, there is no guarantee that approved projects will receive funding in years two and three. In addition, for those organizations who are successful in receiving second and third year funds, the amount of CDBG/ESG funds awarded is often reduced from the previous years' amounts.

Finally, please be aware that even if your application is successful, the CDAC may recommend that the applicant be awarded a lower level of funding than was requested. Please develop a contingency plan to account for a smaller CDBG/ESG award.

PUBLIC SERVICE GRANT APPLICATION INSTRUCTIONS

WHO SHOULD APPLY?

Nonprofits: Only nonprofit organizations are eligible to apply for public service grants. Nonprofits must be incorporated under state law, and they must have a 501(c)(3) designation from the U.S. Internal Revenue Service. An organization whose 501(c)(3) status is pending may still apply, but it must ensure that the nonprofit designation will be in place before the beginning of the fiscal year (July 1, 2003). For-profit entities are not eligible to receive public service grants.

Government Agencies: Governmental and quasi-governmental agencies, including County agencies, may apply for public service grants. However, these agencies are strongly encouraged to apply in partnership with a local nonprofit organization. The nonprofit organization should be, whenever practical, the primary applicant. If you feel this program can be more efficiently and effectively delivered solely by a governmental agency, please provide a detailed explanation in question 6 of the application.

Other County departments and quasi-governmental agencies are also eligible to apply for funds for other CDBG and/or ESG eligible activities. If you wish to apply for funding for infrastructure, public facilities, economic development activities, housing development or rehabilitation, or historic preservation activities, please contact Federal Programs staff at 240-777-3600 to find out what form of application should be submitted. Applications for these types of projects must still be submitted by September 16, 2002, so plan accordingly.

HOW MUCH MAY I REQUEST?

This year the County has capped the size of grant requests at \$45,000. Applicants may not request more than \$45,000 for any one project. There is no minimum grant amount for which you may apply. This policy change results from the increasing number of applications the County receives each year, as well as the increasing size of the grants that applicants request. Last year the County received 54 eligible applications requesting nearly \$2.8 million in funds, but only \$688,000 was available. The CDAC recommended funding for 32 of the 54 applications, and the average grant amount was \$35,000.

ARE THERE SUBMISSION REQUIREMENTS THAT I SHOULD KNOW ABOUT?

1. Submit a separate application for each project for which you are requesting funding.

2. Complete all the information requested in the space provided in the application. Do not vary your submission from the sequence or format presented in the application.
3. The application is available on disk (Microsoft Word 2000) by calling Federal Programs staff at 240-777-3600; **however, applications should be submitted in hard copy, rather than on disk.**
4. Only complete applications received by the deadline will be considered for funding and reviewed. Use both the Completeness Checklist and the Attachments Checklist included in this application packet to help ensure that your application is complete.
5. Incomplete applications will be returned to the applicant. An applicant will be given seven calendar days to provide missing information for applications that are substantially complete but have minor omissions. Examples of omissions that an applicant will be given the opportunity to correct include a missing signature or federal identification number. Minor omissions do not include application questions that have been left unanswered or failure to submit a budget or requested attachments.
6. Applicants must use the required forms, including the **budget form**.

WHERE SHOULD I SUBMIT MY APPLICATION? IS THERE A DEADLINE?

Submit **one original** and **two copies** of the application (you only need to submit one copy of the required attachments) no later than 4:00 p.m. on Monday, September 16, 2002 to:

Montgomery County Department of Housing & Community Affairs
Federal Programs Section
100 Maryland Avenue, Fourth Floor
Rockville, MD 20850

INCOME LIMITS

Any CDBG/ESG funded activity must serve at least 51 percent low- and moderate-income (LMI) persons. The most recent income levels for these two categories are shown on *page ii*.

SHOULD APPLY FOR CDBG FUNDING, ESG FUNDING, OR BOTH?

Applicants do not need to specifically request the funding source (CDBG or ESG) that should be used to fund their project. If an application is selected for funding, members of the CDAC and DHCA staff will determine whether CDBG, ESG, or a combination of both is most appropriate for the project based on its characteristics.

SELECTED COMMUNITY DEVELOPMENT AREAS

Under the County's CDBG/ESG funding policies and priorities, proposed activities that are concentrated within other assisted housing communities, areas of concentrated code enforcement, Neighborhood Business Development Districts, and/or selected community development areas receive priority consideration for funding. A list of these areas and maps may be found beginning on *page ix* of this packet.

INSTRUCTIONS FOR BUDGET FORMS (AND EXAMPLE):

Part I:

In **Column A**, list the titles of all positions to be funded in whole or in part with CDBG/ESG funds.

In **Column B**, list the total hours per week to be spent on the CDBG/ESG project over the total hours worked. In the example below, the Program Director will work full-time on the CDBG/ESG project (40 /40), while the Office Assistant and the Executive Director will charge only a fraction of their weekly time the CDBG project (15/40 and 5/40).

In **Column D**, show the total budget for this line item. The number in column C, should represent some fraction of this amount depending on the percentage of time to be paid with CDBG/ESG funds.

Under the **FRINGE BENEFITS** section, follow the same procedure as above for each line item. Each fringe line item is usually calculated as a percentage of the combined salaries listed.

The **TOTAL SALARIES & BENEFITS** line should be the subtotal of all costs shown in Part I. This figure will be included in the **GRAND TOTAL** under Part II.
